## Dark Zone

USITT 2019 will have a "Dark Zone" in Hall B & D. In this area of the show, USITT intends to turn out all applicable building lights for exhibitors to have an optimal exhibiting experience. Note that some lights may remain on as fire marshal required lighting. The immediate 60' around the perimeter of the Dark Zone will gradually increase lighting to a full brightness. Hall D will go to Dark for focus on Wednesday, March 20 from 8:00am to 6:00pm.
